

City of Warren burn regulations

1. All burning whether in a container or in the open requires a permit in advance of burning.
2. Permits are free, and may be obtained by calling 870-226-8302.
3. You must attend your fire at all times.
4. No petroleum based products shall be burned. (tires, roofing, plastic)
5. You must have a water hose connected or other means of controlling the fire available at all times.
6. Fire must be out by sunset.
7. All fires must be a minimum of 15 feet from any structures.
8. It is unlawful to deposit any combustible material such as limbs, leaves, and grass clippings into any ditch, street, alley, or on public property of the City.
9. It is unlawful to burn anything in or on any ditch, street, alley, or on public property.
10. You must call prior to igniting any fire to check on weather conditions and possible burn bans.
11. Violators of this ordinance if found guilty may be fined up to \$500 dollars.

For additional information or questions, call 870-226-8302 to reach the Warren Fire Department.

Whenever a burn ban is issued no burning of any kind is allowed.
